

SCENAR Professional Training Level 2 - Contents

SCENAR:

The Scientific Base for SCENAR Therapy

- The Adaptive System
- The Pathological System
- The Functional Pathological System
- Self-Regulation
- Reflex-Biofeedback

Herring's Law

Time factor

Philosophy of SCENAR Therapy

SCENAR Recommendations & Success

- Applying SCENAR Therapy
- Preparation for SCENAR treatment
- Practical SCENAR treatment
- Absence of Dynamics

Reflexogenic Zones

- SU-JOK Correspondence System

SCENAR device settings – Individualization

Applying SCENAR therapy in Manual Mode (Dose=0)

- Local Zone
- Small Asymmetries
- Treatment Direction for the Small Asymmetry

Cranio-Therapy

- The Watermelon
- The Autobahn
- The Cranio-Spiral

Drainage Zones

- Lymph-rhombus
- Liver-Spleen Cleanse
- Kidney-Ureter-Cleanse
- Lymph Drainage or Lymphatic Wave

Applying SCENAR therapy in Digital Mode (Dose=1)

- Body Responses and the Corridors of Reaction
- Using Corridors of Reaction to Guide SCENAR Therapy

General Digital Methods

- Initial Reaction IR
- Current Reaction CR
- Dose*
- Zero⁰
- Initial Coefficient (IC)
- Current Coefficient (CC)
- Correlation IC to CC
- Dose = 2 Mode
- Dose = 3 Mode
- Principles 'Higher'
- Principle 'All Higher'
- Principle 'Stereognosis'

- Principle 'SCENAR Rules'
- Measure of reaction

Local Digital Methods

- Point of Pain Technique Using the Small Cross
- Dynamic Dosing
- Galina Method Using Principle 'All Higher'

Specific Therapy Methods

Crosses

- Small Crosses
- Small Crosses on the Spine
- Large Cross
- Scapula Cross
- Sternum Cross
- Revolving Door
- Wheel Cross
- Rachel's Cross

Running Wave

Spirals

- Ascending Spiral
- Descending Spiral

Stars

- Lower Front Star
- Upper Front Star
- Large Front Star
- Double Front Star
- Lower Back Star
- Upper Back Star
- Star of David
- Large Star of David

Magic Square

Revenko Circles

- Revenko Circles on the Torso
- Revenko Circles Using Two SCENAR Devices
- Revenko Circles on the Arms
- Revenko Circles on the Legs

Speeding Up Techniques

- Principle 'Troika' (Simple Threes)
- Horizontal Threes on the Spine
- Threes on a Place (Threes in situ)
- Circular Threes on the Abdomen

Dynamic British Flag

Life training seminar over three days with practical application – trainees treat each other.

Group size is 10 participants max.

Morning and afternoon tea provided.

Times are 9am to 5pm with two 30 min breaks morning and afternoon and 1 hour for lunch.

Trainer

Dr. med. Jorg Prinz, Whakatane 027 6994978

Groups of 4 or more can request trainer to come to other centres for a surcharge covering trainer's travel and accommodation costs.

Valid for 2018
